

Nominate Your 'One To Watch'

Ones to Watch 2024 is a chance to showcase the best and brightest talent in family businesses across the country. We are seeking individuals who live and breathe the virtues of family businesses as the lifeblood of local communities and local economies.

This year, our judges from across the family business world will be assessing nominees against five criteria:

1. Investing in the local economy and community
2. Enriching the local area
3. Providing employment
4. Supporting local suppliers
5. Local charitable giving

In your nomination below, please tell us a little about how your nominee excels in each of these areas.

Once you've completed the form, please send it to us at info@familybusinessuk.org

For more information, please contact Martin Greig: martin.greig@familybusinessuk.org
